

FEED *the* NEED

PROVIDING
FOOD *for*
CHILDREN
in NEED

Thank you so much for taking this great opportunity to sponsor families!! You are making a difference in their lives! Remember our desire is to point this family to Jesus and get them attending your church. Love. Invest. Invite.

Please call each of your families and let them know that you will be the church taking care of them. Give them a contact number of the church with a name if they have any problems. For example, if they'll be out of town and they won't pick up or be there for delivery. Verify with them if they have any allergies and do they have a microwave, even though it's on the sheet. This will help you with giving them food they can use. If you are delivering, ask them if you can leave the box if they are not home.

If they are picking up the box of food, let them know when it will be available to be picked up. Each church chooses what is best for them. For example, a morning or every morning, Wednesday night or another evening.

Don't be discouraged if the family doesn't come one week to pick up. There could be all kinds of reasons for this (not enough gas money, sick, etc.).

Your first time delivering, please don't go by yourself. We suggest this because we want you and the family to have an opportunity to get use to this situation. Even though we have never experienced anything bad, this is for your safety and theirs also.

Please remember you are only providing supplemental nonperishable food. If you decide to do more, that is your decision as a church.

Your food boxes will start the week of June 11, 2023 and end the week of August 6, 2023.

You are welcome to put things in the box to invite the family to your church or to an event. This is your ministry to this family. Remember...Love. Invest. Invite.
