CBA's Adopted People Group THE KURDS

For nearly 3,000 years the Kurds have lived along the Tigris and Euphrates Rivers, the cradle of civilization. This **places their beginnings at the very source of the nations and the immediate vicinity of history's most important events.** They are considered the most oppressed people in history. There are thirty-five million Kurds, making them the largest people group in the world without a country of their own. While fighting for independence, they have suffered much at the hands of the various governments that surround them. Thousands of people have been killed, and thousands of villages have been destroyed in their struggle to maintain their identity and culture.

It is the mission of the Carolina Baptist Association to reach out to the Kurds with the saving grace of Jesus Christ. Our goal is to see people come to Christ, native churches started, and local leaders trained who will reach even more **of the Kurdish people with God's Word. This mission is not a once-and-done project.** It will take many years of devoted, called volunteers who are willing to sacrifice their time and money to lead a population to Christ.

WAYS TO HELP:

PRAY - This work cannot be successful unless the Lord does the work. Pray for the team leaders as they build their teams to minister to the Kurdish people. Pray for the safe travel of the groups that are going over to Central Asia. Pray for the hearts and minds of the Kurds to be open to the saving grace of Jesus Christ.

GIVE - There are many people who would love to be a part of this outreach but lack the funds to do so. Your monetary gift would allow these people to be used by the Lord. If you feel the Lord leading you to give, please forward your check to the Carolina Baptist Association and designate your gift for the Kurdish people.

GO - **Search the Lord's will for your life. Do you feel Him calling you to this particular people group and area to help spread the Gospel?** If so, call the Association (693-4274) for more information on available resources to get you started on your journey.

Minutes of the 145th Semi-Annual Spring Meeting
of the Carolina Baptist Association
Tuesday, April 26, 2022 | 7:00 PM
Crab Creek Baptist Church

Welcome and prayer was initiated by Scott Thompson, interim pastor at Crab Creek Baptist Church.

Declaration and adoption of program was done by Jose Alonso, Vice Moderator.

Recognition of New Pastors was led by Richard Merck, pastor of Naples. Collin Terenzini was introduced and asked to say a few words. Collin is the new pastor at Shaws Creek as of March 2022. Richard asked if there were any other new staff members present and there was none. He also recognized two other new pastors listed on page 2 of the program: Kevin Long, Main Street and Ricky Campbell, Cedar Springs.

Currie Tilley brought the AMS report. He went over the theme of our meeting, "For even the Son of Man came not to be served, but to serve, and to give his life as a ransom for many." Mark 10:45. He read from Matthew 9:35-38 which talked about Jesus not only "seeing," but "responding" to the many needs. His role as AMS is to help us understand how we can see and respond (mission and strategy). Jesus was "active" and reactive." Verse 37-38 teaches us to "look, pray and respond." Do we see the need around us? Do we pray with earnestness? Do we respond by doing? Encouraged those attending to...get a taste...take a small step (commit to one thing). Talked about "priming the pump" tonight and upcoming will be ways to serve. Then he had everyone take out their phone and put the Fall meeting on their calendar. Said there are changes on the horizon with some new structure and teams. He would like a strong presentation of our churches.

Currie Tilley presented certificates from the NC Missions Offering (NCMO). This is a special offering received during the month of September that supports the ministries of Baptists on Mission, Church Planting, mission camps, associational projects, and **mobilization ministry projects**. Paul Langston with BOM wrote to us and said to "thank your churches for making all of the ministries of Baptists on Mission possible, providing strong support for disaster relief, church planting and supporting CBA mission endeavors." Currie then gave out the following certificates: FBC Hendersonville was #1 in giving in CBA; #9 in the state. FBC Saluda was #2 in CBA and Etowah was #3.

Jose Alonso led everyone to page 3 of the program of officers and team directors that needed to be voted on. New people that need to be voted on are: Ray Brickhouse, Moderator and Keris Suttles, Clerk. There was a motion to accept these new positions. Seconded and approved. Jose then directed attention to the vacant positions.

Paula Janes brought the financial report. She directed everyone to page 5 of the program. Church receipts YTD are \$47,066.73 compared to \$45,259.90 from last year. She then directed to page 6-7 which lists the receipts and expenditures stating an ending balance in the checking account of \$82,679.48. Page 8 listed the market value of the camp sale investment of \$384,934.36 and the Zeke Crawford investment of \$6,767.47. The balance in the Designated fund NCBF CD and Checking account is \$134,215.20.

Rebecca Moon spoke of the exciting mission opportunities coming up in the future and encouraged all the association churches to participate. She spoke of the appreciation luncheon for the support staff of churches held in April and the great response; currently we **are collecting food for the NC Children's Home; the deadline is May8th. May 5th** is the National Day of Prayer which will be held at Main Street Baptist Church from 12-1; she encouraged everyone to take part in this freedom which we nearly lost. She briefly shared that Deep Impact will be in Hendersonville June 2-24; Christmas in July is coming up for the toy collection for the Bethlehem Toy Store, Red Box collection for the Women's prison ministry in October, pastor's appreciation month in October and Christmas Banquet for pastor's and their wives in December. The association has so many opportunities to see, feel, respond, act and react to provide encouragement and share God's love to those hurting in our community.

Nathan Fletcher with Deep Impact spoke of this Student Missions summer camp which will take place locally here in Hendersonville on June 20-24. Young people will learn how to share selflessly how to serve the community through many projects such as: VBS, Backyard Bible Clubs, painting, landscaping, nursing home visits/crafts, yard clean-up, concession refreshments for the Boys and Girls club, and much more. Then he mentioned there is a project sign-up sheet in the program. If you know of anyone that needs help to please contact the association office.

BJ Behnken brought a report from Hope Coalition. They are here to help in one area – drug and alcohol misuse. HC is here to partner with you – to provide the tools, the training, the education, the hope to those in your congregation, and their families. We have special programs for teens. The average for someone to start experimenting with illegal substances is 13. More people die from drug overdose than in car accidents. She asked people to raise their hand if they had, in some way, been affected by drugs or alcohol through family or friends. She stated how she had lost a son three years ago to alcohol addiction. Pastors, church **leaders can't be everything to everyone. Let us be your arm – part of the body – united with you.** She passed out a pamphlet with basic information and said she would love to talk to anyone that wanted to.

Jason Beverly brought the Child Evangelism Fellowship report. He stated that we have the opportunity right now to take Sunday school to the public school. They would like to partner with the local church to be able to share the Gospel of Jesus Christ in the **public school. We don't know how long this door will be open, so we need to take advantage of this now! For more information** contact CEF at 828-329-0749 or nbulow17@gmail.com.

Glo Nock brought the Bethlehem Toy Store Report. Thank you to each church and each individual who participated in this ministry opportunity through prayer, buying gifts, helping set up or helping the day of the toy store. This includes hundreds of people. In 2021 we helped 49 families, 113 children. Every person picking up toys heard the good news of JESUS CHRIST and 4 precious adults received the greatest gift of all - eternal salvation through efforts of this outreach. Please consider helping in 2022 by your financial support, providing new unwrapped toys or helping the week of the toy store. Contact Paula or Rebecca for details. You, your family, Sunday School Class or church can also make a huge impact by "adopting" a certain age group and providing toys - especially needed are gifts for middle school and high school age boys and girls. We can provide you with suggested gifts if needed. "Christmas in July" is a great way many CBA churches do offerings and toy collections currently. Working together we can provide Christmas gifts for those in need in our community this Christmas and spread the good news through this ministry.

Glo Nock Camp GLOW (Glorifying GOD, Leading Youth, Organizing Community, Without Addiction) is a non-profit summer camp organized in 2016 to spread the light of JESUS CHRIST into a dark world and fight the devil's tool drug abuse and addiction. We provide a free summer camp for ages 10 through college age. This year Camp GLOW will be held at Camp Tekoa August 14-18. In our short few years of existence, GOD has truly used this opportunity and hundreds have accepted salvation or expressed re-dedication or a commitment to a closer walk with GOD. If you have children or youth who would be interested they can register online at campglowshine.com. Check out our videos on YouTube to see what Camp GLOW is all about <https://www.youtube.com/channel/UCWTV1b7KqApc9ryu8OdPBxw>, and we are on Facebook and Instagram. We have 4 fundraisers yearly: A yard sale in March, a Co-Ed Softball Tournament June 11 at Jackson Park, a Car Show July 16 at North Henderson and a Golf Tournament in October. We take financial donations year-round on Venmo and by mail c/o Mtn. View Baptist Church, 650 Duncan Hill Road, Hendersonville NC 28792. Please add Camp GLOW to your prayer list for many salvation's and that GOD will be glorified in all that we do.

Jose Alonso brought the message. It was titled "There is an urgency to proclaim the gospel to the community." He read from Romans 10:1 and 10:13-15. His outline was as follows: 1) Everyone who calls on the name of the Lord will be saved. 2) How will **they call the one in which they have not believed?** 3) **How will they believe if they haven't heard of Him?** 4) **How will they hear** without someone preaching to them? 5) How will they preach if they are not sent? 6) How beautiful are the feet of those who proclaim peace, of those who proclaim Good News!

Reflection/Invitation music with Currie Tilley.

Closing prayer was Tony Halford. Tony also expressed how much he loved this association and the excitement Currie was bringing. He was grateful for the encouragement Currie was to him.

Recorded by Rebecca Moon

CBA Semi-Annual Fall Meeting
Fruitland Bible Baptist College
October 18, 2022 (Dinner at 5:30pm with Program beginning at 7:00pm)
Theme: The Great Commission (Acts 1:8)

Currie Tilley opened the meeting in prayer and welcomed everyone present. Tony declared the meeting opened for business.

- Tony asked for new pastors and/or staff to stand and introduce themselves; there were four: Ray Brickhouse from Oak Forest, Collin Terenzini from Shaw's Creek, Jim Hyler from Middle Fork and Toby Flynn from Ebenezer;
- Currie then recognized outgoing members of the leadership team, Jana Jones-Clerk, Nancy McKnight-Treasurer, Tony Reese-Moderator and Robert Garren-Parliamentarian, gratefully acknowledging their years of service and presented them with a thank you card;
- Next on the agenda was voting for Adonia Church to be accepted into the association after a year of watchcare. Motion was made to accept Adonia church into the CBA and carried by unanimous vote;
- Paula then presented the financial report (page 8-11) and opened the floor up for any questions. There were none. Paula then presented the 2020 Budget for David Bradley, Chairman of the Stewardship Committee, and out of country. She also read an email David sent encouraging churches to continue or increase their support of the association for 2023. The budget has been approved by the Stewardship Committee, so only a second was needed to bring to the meeting for approval. Jose Alonso seconded the motion. There were no questions or discussion and the 2023 budget was approved without opposition;
- Tony then brought the business meeting to a close.

We were then led in praise and worship by the Praise team from Ebenezer, followed by a video on "Mission Together"

Currie addressed the group concerning the Direction of CBA: mission, vision, structure and strategy.

- Mission: Partnering Together to fulfill the Great Commission. We are all called to be disciples of all nations.
- Vision: Currie emphasized that his title and responsibilities are seen in this vision and align with the vision.

As an association of Baptist churches in Henderson County, we will intentionally work together to increase missional awareness & accelerate strategic mobilization for the Great Commission through church planting & revitalization, leadership development, local & international community engagement, and ministry partnership formation with Gospel-centered organizations.

- Strategy
 - The 1st strategic area of focus is Church Strengthening – Ephesians 3:7-12; Currie emphasized the Church is God's ordained institution and chosen organization to fulfill His purposes on the earth – for His Glory. Nothing about a dying church brings Glory to God. It is vital that we understand and champion God's purpose and plan for the church. Churches need to wake up and rise to be all we can for the glory of God. Currie explained that our strategic emphasis will be focused on strengthening our churches-equipping and mobilizing God's people to be on mission together for the glory of God. We will partner together to fulfill the Great Commission. Revitalization and replanting needs to happen. He then showed a video of a local church and how they began revitalization in their church and started to see it grow. It is God's desire that churches move forward. Currie explained his desire to provide encouragement and support to ministers and their wives and training to help pastors begin revitalization in their churches. Ephesians 3:20 God is able, His power is at work in us; we are responsible to take action.

Church Strengthening Plans in Progress and Next Steps: 1 Thess. 2:8, We cared so much for you that we were pleased to share with you not only the gospel of God but also our own lives because you had become dear to us.

- Pastor (& wives) support – front lines, healthy leaders – healthy churches; our ministry
- EQUIP the church ideas: Conference; NC Baptists/Fruitland – continuing education opportunities – 1 day; Intentional Interim Training; Finances (Pastor / minister & Church)
- Mission Insite – understanding your community, customized for each church
- Revitalization Cohort of pastors – starting in the new year – Tues AM/PM
- Bi-vocational/smaller church support – accessibility to tools and resources to stay on mission

- The 2nd area of focus is Community Engagement – The Great Commission begins with our Jerusalem.
 - CBA Missions and Ministry Report: Rebecca Moon began by asking “What is your Jerusalem”? A screen displayed the many outreach ministries coordinated by the CBA through our local churches. She emphasized that the CBA could not do anything without the engagement and involvement of our association churches, and although we minister in our Jerusalem, the effects are felt outside beyond our Jerusalem, beginning with the National Day of Prayer to the Harvest Seeds ministry which provides literature to the ends of the earth. She challenged the attendees to get involved.
 - The Storehouse – Chris Pace, Vice President of the Storehouse Executive Board, filled in for Lynn Staggs, Executive Director. A video was presented showing the many ways the Storehouse ministers to residents in Henderson County. Through September 2022, 2,100 families/4,204 individuals were served; and in 2021 3,891 individuals/11,673 families were served. Chris emphasized there are many areas in which churches can serve: volunteers are always needed; sponsor a food and hygiene drive; sponsor a child (children) for Blessings in Boxes at Christmas; financial donations; and tell others.
 - Henderson County Rescue Mission - Tim Jones, Vice President and C.O.O., shared that the HCRM began 41 years ago by students from Fruitland Baptist Bible College who had a desire to help the homeless in our community. The Rescue Mission not only provides shelter to families, but food, clothing, programs to help them make a smooth transition back into society and Turning Point Recovery Program to help those struggling with drug and/or alcohol addiction.
- Community Engagement – The Great Commission reaches out to Judea/Samaria
 - Carpenter’s Hands – Mike Nelson presented a video on the ministry. Mike paid tribute in memory of his precious wife and her vital part in the ministry of Carpenter’s Hands. In December of 1999, a group of 12 people left Mud Creek Baptist Church heading for Burgaw, NC in response to NC Baptist Men’s call for help in ministering to the victims of Hurricane Floyd. During the week God gave us the vision for the Carpenter’s Hands Ministry. Over the next year many lives were touched as we rebuilt home after home witnessed many miracles and volunteers became the hands and feet of Jesus to a lost and suffering world. Recently they’ve been to eastern Kentucky after the devastating tornado ripped through the state. They’ve recently answered the call to go to NC, WV, NY (9/11), GA, KY, FL, AR, AL, MS, LA (Katrina), TX, and HI. These trips were for hurricanes, floods, tornadoes, ice storms, and man-made disasters. All of this was done through the NC Baptist Men’s Disaster Relief. They have had the privilege of building 3 houses in the community and served locally through building numerous handicap ramps, re-roofing houses, repairing homes and building churches. Last week they just returned from Florida where the hurricane left devastating damage. Mike went on to say they’ve had many people accept Jesus as their savior while working on home and even had workers. Mike closed by asking those present to ask the Lord to send laborers. The Harvest is great but the laborers are few. He invited anyone who wanted to learn more about Carpenter’s Hands to come to an information meeting/ dinner on Tuesday, Nov. 1 at 6pm.
 - Baptists on Missions – Linda Pittman, Regional Director for Baptists on Mission, gave a short insight in to what BOM does. She particularly asked that they look at the Construction Day Training, which offer training in basic skills needed to assist with construction ministry. She emphasized that if you go to the webpage there are several banners with missions and you can go in and pick anyone that you want to serve in. One of the things that she enjoys most about Baptists on Mission is that they have 3 words they try to do and they tell the homeowners they are here to “Stop the Damage”. The homeowner thinks they are talking about black mold or wet insulation but in reality, they want to stop the lies that Satan tells people. There is a truth, the grave is empty, Jesus is able and that is the only reason they are here. While they do care about the wet sheetrock and insulation they will tell the homeowner about Jesus while they are there. One of her favorite quotes to tell people is that “Jesus came by”. They have also been able to deliver financial gifts to homeowners who needed it. Linda shared that in her county there are a lot of gardeners. She made the analogy that they can only hoe one row at a time. If the gospel is in your hand and your heart, hoe (minister in) your row and let Jesus use you to give Him Glory to build the Kingdom.

- o The Great Commission: Ends of the Earth – the last part of Acts 1:8 tells us to go to the ends of the Earth. Currie shared that we've had many churches have been on international mission trips as noted on the map. He would love to hear about your plans to reach Jerusalem, Judea, Samaria and the ends of the earth. We will be praying for you.
- o Community Engagement: Plans in Progress and Next Steps. What does this look like in our next step as we move forward as an association of looking at this idea of reaching out locally and internationally?
 - Targeted communication from the CBA office on ways to connect and engage with opportunities
 - Focused partnership with Gospel-centered organizations in our community, reach out, learn more, sign up and serve
 - Joining in on existing work already taking place through the NC BOM, NAMB, and the IMB
 - Disaster Relief Training opportunities and mobilization as need arises
 - IMB offices tour, overnight stay at the International Learning Center, Commissioning Service and opportunity to interact with our missionaries – March 9-10, 2023.

Currie then asked the CBA Leadership Team and Staff to the front and prayed over them.
Pastor Jose Alonso adjourned the meeting in prayer.

BAPTISTS ON MISSION

For more information visit the BOM Website: <https://baptistsonmission.org>

At Baptists on Mission, our Purpose is to Glorify God by involving Christians in meeting human needs in Jesus' name. We do that by offering a wide variety of opportunities for volunteers to be the hands and feet of Jesus. Everything from aviation missions where we fly patients to much-needed medical care, partnership missions, prayer ministries, medical, dental, construction, disaster relief, disaster recovery, etc.

Proverbs 3:27 reminds us, "Do not withhold good from those to whom it is due when it is in your power to do it." We want to help the people in your church be on mission, to offer hope to those in need. Because serving others in Jesus' name is at the heart of who we as Christians are supposed to be.

Funding North American Missions:

At the North America Mission Board (NAMB), our primary goal is to help pastors, churches and other Southern Baptist ministry partners more effectively engage the mission field in the United States, Canada and beyond. Since 2011 we have seen an increasing number of churches and individuals become more directly involved in church planting and other missions efforts through Send Network and Send Relief. These efforts revolve around the priority of planting new, evangelistic churches everywhere for everyone—especially in unreached and underserved areas, such as large cities and regions outside the South—and engaging communities with the gospel through compassion ministry. In the last 100 years, Southern Baptists—and evangelicals in general—have lost significant ground in the church-to-population ratio. There are more than 273 million people in North America who are without Christ. The weight of this reality is especially felt in regions outside the Southern United States and in the areas where more than 81 percent of the population lives—in and around large cities. To help Southern Baptists close this gap, NAMB has identified 35 regional and strategic Focus Areas for church planting and compassion ministry. These areas have vast influence that, when reached, can become centers for gospel proclamation that make a global impact for the gospel. In reaching these strategic focus areas, Southern Baptists can lead many to Christ in North America and around the world. As NAMB focuses ministry in these areas, we partner with Southern Baptists to plant churches everywhere for everyone and serve communities everywhere by meeting needs and changing lives.

A TRIUM HEALTH WAKE FOREST BAPTIST Important Update

During the North Carolina Baptist Convention Annual Meeting held November 8, 2022 in Greensboro, NC, it was noted that the relationship with Atrium Health Wake Forest Baptist Hospital has changed: Taken directly from the minutes: "Following its strategic combination with Atrium Health, N.C. Baptist Hospital requested that we study a possible change in relationship with the convention. After the required six month study was completed, both parties agreed that it was best for us to discontinue a relationship based on Cooperative Program funding in exchange for the election of a portion of the hospital's trustees. We will still retain a voluntary relationship through the hospital's Faith/Health Division and work together to minister to our churches and their staff." F RUITLAND BAPTIST BIBLE COLLEGE

Dr. John Horton, President

Fruitland Baptist Bible College - 2022 Annual Report

Fruitland Baptist Bible College has educated and trained men and women God has called into ministry for over 75 years. FBBC has graduates across the globe faithfully serving Christ and making a difference for the Kingdom of God.

Thirty-four students graduated in the Class of 2021. Approximately one-third of these students were Hispanic students. Fruitland also has a program for Montagnard students and Hispanic students (campus, extension, and online). The school is devoted to reaching people from around the world whether local, state, or global.

On September 30, 2021, FBBC sponsored our first Family Day. Over 100 attended this special day designed as a time of fellowship for our students and their families. All who attended enjoyed a meal, inflatables for the children (and some adults), and other games. A special volleyball tournament was also featured which pitted the students against the faculty. **The students won this year's competition but the professors are suggesting next year will present a much different story.**

Several new professors came onto the faculty in the past year. Jerome Wilkerson is teaching the Old Testament 101/102 courses. Hannah Heise is now teaching Composition 301/302. Justin Alexander teaches the Youth Ministry 302/302 classes and Dennis Thurman is teaching the Christian Counseling 401/402 courses. These teachers are a great asset to the work of FBBC and we are thankful God has allowed them to teach our students.

The Fall 2021 Fruitland Baptist Bible College Alumni Day celebration was a wonderful time of preaching and fellowship. Mike Stone and Phil Hoskins were the speakers and both men preached messages which encouraged everyone present. The meal after the time of worship was a special time of fellowship among the alumni and friends.

FBBC sponsored the first annual "Fruitland Breakfast" at the Convention in the Fall of 2021. Over 200 alumni and friends attended this event. Two awards were presented at the breakfast. Steven Blanton was honored with the Alumnus of the Year award for his continuous work in fundraising and recruitment. **Weldon Wyatt received the "Advancing Fruitland Award" for his generous donations to FBBC as well as his efforts to raise funds.** These men are truly a blessing to Fruitland.

The speakers for the May 2022 Founders Day were Todd Unzicker and Dr. Michael Cloer. Both of these gentlemen were a tremendous blessing to the students, alumni, and friends of Fruitland who were in attendance.

Fruitland was also able to recruit at the BeDoTell camp at Camp Caswell this past year. Many students who were in attendance at the camp were called into Christian service.

FBBC sponsored various camps during the 2022 summer season. Deep Impact brought over 100 students to our campus and God worked in an amazing way. Other churches came together and brought **many young people to the FBBC campus during this year's summer camp season as well.**

H.B. Charles spoke on the Fruitland campus on July 15, 2022 in order to kick off a special event in the Fall of 2022. Pastor Charles returned to Fruitland to speak at the 2022 Alumni day celebration.

Fruitland Baptist Bible College and Southeastern Baptist Theological Seminary partnered together to offer a Bible Conference that coincided with the Fruitland Alumni Day, scheduled October 3-4, 2022. **"The Sufficiency of Scripture" is the theme of the conference.** FBBC and

Southeastern has a special partnership which allows students to complete their Bachelor degree on the Fruitland campus after completing the Associate degree at Fruitland. This conference enhanced this partnership between the two schools.

Harry and Marylyn Scheminann gave a generous donation in 2022 in order to build a large "student quad". The quad is between the dorm and the cafeteria and features two monuments. We are certainly thankful to Mr. and Mrs. Scheminann for their gift which will bless many students in the future.

AMS

ANNUAL REPORT

By Rev. Dr. Currie Tilley

January 1, 2022 - December 31, 2022

The end of 2022 brought the 2nd year of my service as your Associational Mission Strategist to a close. What a great 2 years it has been! I write with thankfulness and excitement about what the Lord is doing in and through the Carolina Baptist Association. I wanted to take a moment to share where we are and where we are headed.

The mission of the CBA: *Partnering together to fulfill the Great Commission.* And Jesus came and said to them, **"All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."** Matthew 28:18-20

King Jesus has all authority, and He is crystal clear concerning what He expects from His followers: we are to go and make disciples. The Gospel unites us, the love of Christ motivates us, and the mission drives us. As long as God has me serving as the leader of the CBA, we will remain laser-focused on the Gospel and striving to fulfill what God called us to do. We are to be disciples who make disciples. I truly believe that we can accomplish more for the Kingdom of God when we unify and serve together. I want to ask you to join me in this work. Your leadership team at the CBA is working together to create a strategy and a structure to accomplish the mission. We are focusing our vision on the following areas:

Church Strengthening

Ephesians 3:7-12, 20-21 ⁷Of this gospel I was made a minister according to the gift of God's grace, which was given me by the working of his power. ⁸To me, though I am the very least of all the saints, this grace was given, to preach to the Gentiles the unsearchable riches of Christ, ⁹and to bring to light for everyone what is the plan of the mystery hidden for ages in God, who created all things, ¹⁰so that through the church the manifold wisdom of God might now be made known to the rulers and authorities in the heavenly places. ¹¹This was according to the eternal purpose that he has realized in Christ Jesus our Lord, ¹²in whom we have boldness and access with confidence through our faith in him. ²⁰Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, ²¹to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.

The church is God's ordained institution and chosen organization to fulfill His purposes on the earth. The Carolina Baptist Association exists to support and champion the work of the local church, not replace it.

I desire to see every church enjoy the beauty and wonder of what it is to be on mission with God. I desire to see God receive glory in and through His church. We will not develop programs or start ministries through the association to make ourselves relevant. We will support what our churches are doing and find ways to strengthen, equip and mobilize our congregations for the glory of God and the advancement of His Kingdom.

How will we do this?

We will focus on church revitalization by providing resources, coaching, and training to church leaders. We will invest in leadership development, helping existing leaders thrive and become more effective in serving their churches. We will also help identify new leaders in our churches and community that can be developed to step into leadership roles when the need arises. We will provide support and resources for bi-vocational pastors and smaller churches. About half of our churches have less than 50 people in attendance and are led by pastors who are working other jobs. We want to be a support and encouragement to these leaders and the churches that they pastor. We will also look for opportunities to plant new churches and replant existing churches that may be ready for a new start. These initiatives will also be done in cooperation with and through existing churches in our area.

Community Engagement

Acts 1:8 But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth. Acts 1:8

Our engagement with the community will be one of Gospel witness. The power we receive from God through the Holy Spirit is not for our glory or purposes. It is provided so that we will be effective witnesses, ambassadors of the Lord Jesus Christ in our community. Our mission field is defined in this verse as well. Our Jerusalem is Henderson County. Our Judea is North Carolina and other states in our country. Our Samaria includes those people that are seen as "different" in ways that would cause some to avoid or ignore them. The end of the earth includes those places beyond our borders in the international community. We are called to go and be witnesses to ALL of these areas. Any strategy that does not include an Acts 1:8 vision falls short of God's expectation.

How will we do this?

We will develop partnerships with Gospel-centered ministries in Henderson County, finding ways to meet the needs of our community while providing a Gospel-witness to meet the greatest need. We will intentionally develop good working relationships with key community organizations. We will provide information to our churches to increase demographic awareness as our community grows and changes. We will also work with NC Baptists on Mission, the North American Mission Board and the International Mission Board to show and share the love of Christ by engaging the community outside of our local context. The Association will partner with these entities and provide information and opportunities for our churches to connect to the missional work of God around the world.

We will approach these focus areas of church strengthening and community engagement with a mindset of missional awareness and strategic mobilization. We will remain focused on Partnering together to fulfill the Great Commission! I want to ask you to join us on this mission. We should each be actively involved in Kingdom work by giving of our time, talent, and treasure to support the mission. As the Associational Mission Strategist of the CBA, I am asking you to look for ways to connect to the mission through the association. You may not feel that you have much to offer, but God can do great things when we offer what we have.

MISSIONS & MINISTRY REPORT

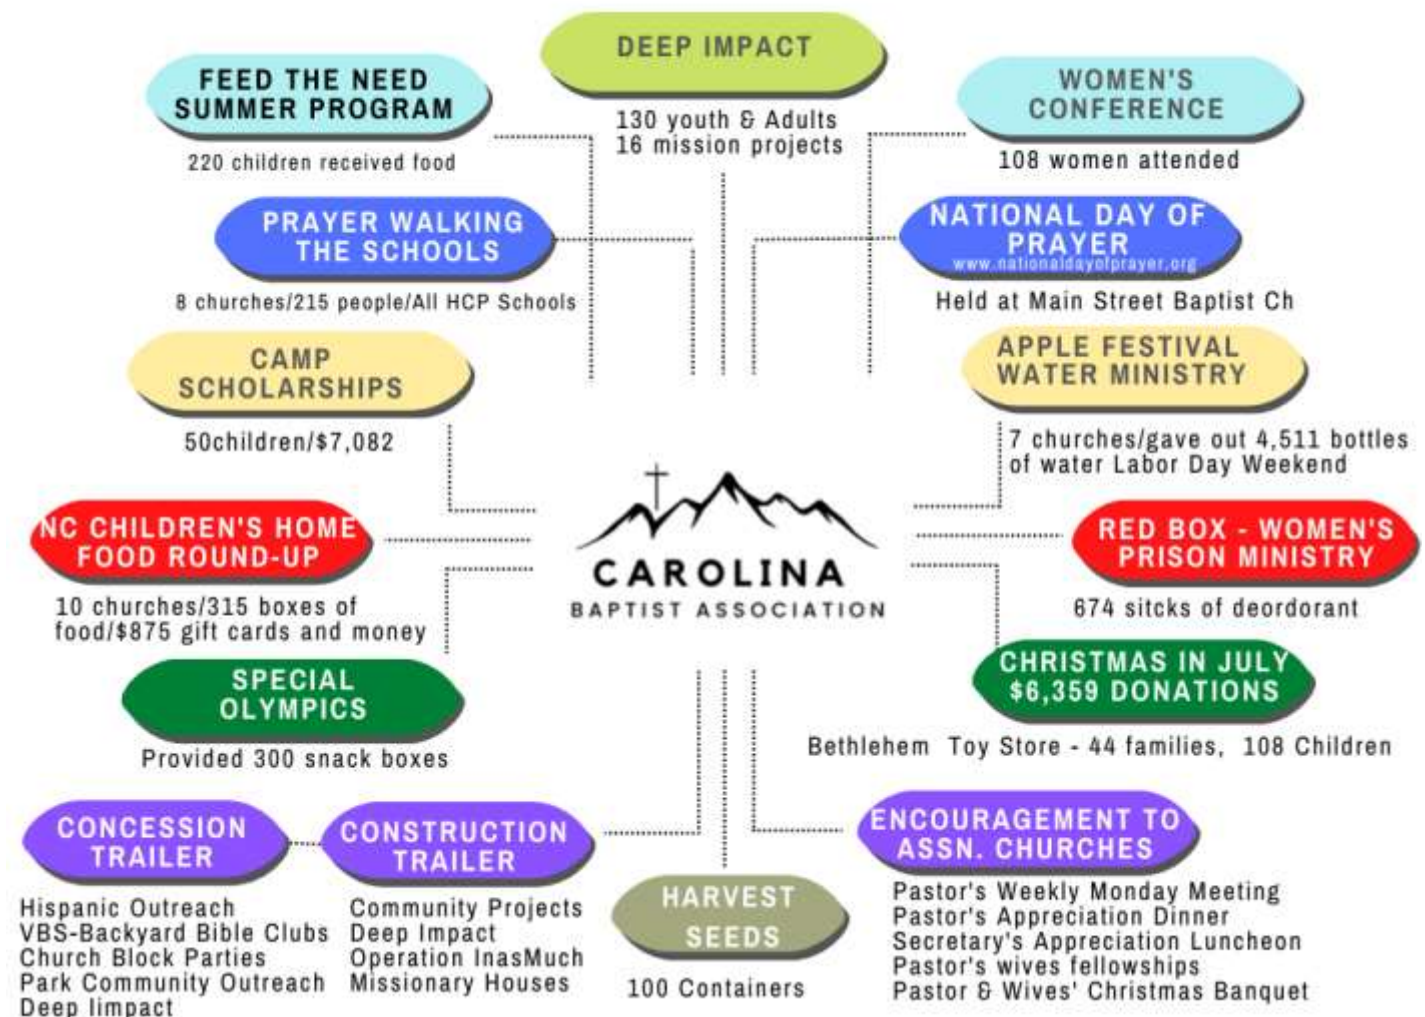

Rebecca Moon, Missions & Outreach Coordinator

January 1, 2022 - December 31, 2022

Reaching Jerusalem: What is your Jerusalem? Simply speaking it is being a witness in your immediate surroundings which is Your family, Your neighborhood, Your community. We could not do Reach our Jerusalem without the support of our association churches, community partners and ministry partners. They are the hands and feet of Jesus in our community. The chart illustrated below show the impact made in our community in 2022 through mission out reach.

Highlights: Did you know

- ♦ there is a National Day of Prayer Task Force? They organize, coordinate and preside over this observance each year. People all across the nation, from sea to shining sea, come together the first Thursday in May to pray for our families, churches, schools, local, state and national government leaders, first responders, and many more areas. Only God knows how far and wide and how many people are touched by the effectual fervent prayer of a righteous man.
- ♦ that during the month of August 215 people prayed over every school in Henderson county? That's 23 schools. 12,978 students, 869 classroom teachers, not including bus drivers, custodians and lunchroom staff. Isaiah 52:7 - How beautiful upon the mountains are the feet of him who brings good news, who proclaims peace. "Our God reigns!" Our prayers do not return void.
- ♦ that during the Apple Festival, Labor Day Weekend, 4,511 bottles of cold refreshing water were given out to hot, tired and thirsty people at the festival. John 4:14 says But those who drink the water I give will never be thirsty again..." We can show the love of Jesus through a bottle of water with the hope people will eventually drink from the well that never runs dry so they'll never thirst again.
- ♦ the CBA concession trailer has traveled all over our Jerusalem for Easter Block Parties, backyard VBS, Spring Fling, community events, church picnics and Bible Studies, VBS and Family Fun Day, Trunk or Treat, two parks outreach, partnering with Elementary schools for field day, mission projects like Deep Impact and InAsMuch. We can share the love of Jesus through snow cones and cotton candy.
- ♦ CBA has a Disaster Relief Trailer? Apparently this is a well kept secret because in 2022 it was only used 2 times. Spread the word!
- ♦ that through your support in 2022, 44 families were blessed with toys for their children (108 children); 4 people received God's gift of eternal salvation and 2 received assurance of their salvation.
