Personal Testimony

I was born again on March 17, 2006. Called to preach God's word to a lost and dying world. Pastored two churches and through the work of the Lord mentored several young pastors and made disciples or church members. I personally witnessed revival in people's lives and seen God save many souls through the power of the spirit of God through the preached Word. Christ is and will forever be the center of my life, my marriage, and the church. Without Him, we can do nothing.
