

DI MISSIONS

Request for a DI Missions Team

If your church or ministry is interested in having a DI Missions team serve with you during your local camp week this summer, please look over the following information, and complete the form on the next page. Please submit one form per project request.

Teams

Our mission teams are made up of students in 6th-12th grades, college and their adult leaders. Students are hosted at one site during the camp week, and for them, this is both a mission trip and a camp week. As such, they are on mission sites four days during the week, usually from 9:00am until 2:30pm. Some camp weeks involve a free afternoon for our participants. This occurs on the third day of projects. On this day, project times are adjusted to 9:00am until 12:00pm. The following are the project areas that DI offers to our participants. **The DI Mission Team will be available to do projects in Henderson County Tuesday, June 20 - Friday, June 23, 2023. Tues., Wed., & Fri. are full days; Thurs. is a half day.**

Project Types

Children's Ministry: Work with children in a variety of settings, sharing the gospel through VBS-style activities, in addition to other possible methods.

Construction: Work in areas of construction, painting, landscaping to help someone in need. Examples include debris cleanup, accessibility ramps, drywall work, etc.

Sports and Recreation: Use sports camps, recreation centers, among other methods to share the gospel in the community.

Senior Adult Ministry: Work with seniors in the community. Examples include nursing homes, senior centers, life enrichment centers, and special needs adults.

Community Outreach: Use acts of kindness to earn the opportunity to share the gospel. Examples include free laundry, water distribution, car washed, etc.

Supplies

For many projects, DI Missions will supply any materials that are needed. With that said, if your ministry or church group would like to supply some materials, that contribution is welcomed, especially on construction projects.

DI MISSIONS

Project Request Form

Church/Organization Name _____

Contact Person Name (First and Last) _____

Contact Phone _____ Contact Email _____

Which area, as described above, best fits the nature of the project you are submitting this request for?
(Circle up to two).

Children's Ministry Sports and Recreation Community Outreach
Construction/Landscaping Senior Adults

Please use the space below to offer more information on the project request.

In what ways will this project benefit your church or organization in proclaiming the gospel of Jesus Christ? Will students have an opportunity to do this?

To what extent are you able to provide materials?

Unable Somewhat Able Mostly Able Completely Able

Please elaborate as necessary:

Affirmation of Accuracy and DI Selection Agreement

I affirm that all information above is accurate to the best of my knowledge. I agree that it will be my church or organization's responsibility to provide a contact person for project planning and for the full week of camp for the DI team. I further understand that if my project is not selected for this camp year, I will need to fill out a new form for the following camp year. Deep Impact is an affiliate of Baptists on Mission, and follows protocols and policies as provided by BOM.

Signature of Requester

Date Submitted

Please return the completed form to Rebecca Moon at rmoon.cba@gmail.com or mail to 601 Hebron Rd, Hendersonville 28739 no later than May 15th. If you have questions, call the CBA office at 828-693-4274.
